

Let's Lego Play for AGILE Implementation Assessment

OBJECTIVES

This Assessment aims to implement an entire AGIL model in the Chain of Demand Management Business - Technology, covering from the Needs Discovery Phase to the Implementation and Support phases under Agile Cell models. Besides, the objective is also to define an integrated government model for a complete AGILE-DevOps cycle.

Let's Lego Play have more than 200 clientes worldwide where we have contributed to the Digital Transformation Challenge with these workshops.
