

# LET'S LEGO PLAY

## for AGILE Lifecycle Implementation

## WORKSHOP OBJECTIVES

This workshop aims to understand in detail the concept of AGILE, from the methodological definition of the Discovery / Design / Deployment and Deployment of Solutions, as well as the creation of the Agile program, mainly defining the government model and the AGILE Government Center of the Organization. Besides, the structure and function of the AGILES Cell Model of the organization will be defined.

Let's Lego Play have more than **200 customers** worldwide where we have contributed to the Digital Transformation Challenge with these workshops.

Chile | Colombia | Costa Rica | Ecuador | Spain |  
Mexico | Panama | Dominican Republic |
