

LET'S LEGO PLAY

for Healthcare Corporations & Organizations

WORKSHOP OBJECTIVES

The goal of this workshop is to define the work model and procedures related to different key areas such as Emergency, Primary Care, Outpatient, among others. In addition, we work on the relationship model between the different components of the institution: Medical Staff, Nursing, Administrative Staff, among others.

Let's Lego Play have more than 200 customers worldwide where we have contributed to the Digital Transformation Challenge with these workshops.

Chile | Colombia | Costa Rica | Ecuador | Spain |
